

aging changes in organs pdf

Rejuvenation is a medical discipline focused on the practical reversal of the aging process.. Rejuvenation is distinct from life extension.Life extension strategies often study the causes of aging and try to oppose those causes in order to slow aging.

Rejuvenation (aging) - Wikipedia

Ageing or aging (see spelling differences) is the process of becoming older.The term refers especially to human beings, many animals, and fungi, whereas for example bacteria, perennial plants and some simple animals are potentially immortal.In the broader sense, ageing can refer to single cells within an organism which have ceased dividing (cellular senescence) or to the population of a ...
