Capitalism is an economic system based on private ownership of the means of production and their operation for profit. Characteristics central to capitalism include private property, capital accumulation, wage labor, voluntary exchange, a price system, and competitive markets. In a capitalist market economy, decision-making and investment are determined by every owner of wealth, property or ...

PLOTTING THE DESTRUCTION OF THE US DOLLAR is now taking place by global financial elites. Both the undermining of the US dollar and the weakening of its role as the reserve-currency in the global market, was the underlying agenda of the Bilderberg Group, which convened its most ominous meeting to ...
