EU OPS is a European Union (EU) regulations specifying minimum safety and related procedures for commercial passenger and cargo fixed-wing aviation. The legislation is known officially as Council Regulation (EEC) No 3922/91 on the harmonisation of technical requirements and administrative procedures in the field of civil aviation.. The regulations are derived from and very similar to JAR-OPS 1 ...

AIR OPS - Wikipedia

Online Training, an Internet-based platform providing online EASA-compliant courses. The platform covers a set of specialized continuing and re-current courses, supplemented by the issuance of relevant certificates upon successful completion of the courses.
